AP 2110 - Vacancies on the Board

Approved by Leadership: August 2010

Reference: Education Code Sections 5090, et seq.,
                   Government Code 1770, 6061

When the Board determines to fill the vacancy by appointment, the Superintendent/President shall assure that there is ample publicity to, and information for, prospective candidates. Publicity shall include posting in three public places in the District and publication in a newspaper of general circulation. (Note: This publication, required by Section 6061 of the Government Code, is only required to be published once. If there is no newspaper of general circulation in the District, notice need not be published.)

The posted notice of vacancy shall include directions regarding applications or nominations of legally qualified candidates. Persons applying or nominated must meet the qualifications required by law for members of the Board.

Persons applying for appointment to the Board shall receive a letter from the Superintendent/President containing information about the District and the Board, and including a candidate information sheet to be completed and returned by a specific date.

The Board may request personal interviews with candidates, which will be conducted in a public hearing scheduled for that purpose. Final selection will be made by a majority vote of the Board members at a public meeting called for that purpose.

Whenever a provisional appointment is made, the Board shall, within 10 days of the provisional appointment, post notices of both the actual vacancy or the filing of a deferred resignation and the provisional appointment in three public places in the District. It shall also publish a notice in a newspaper of general circulation if available.

The notice shall state the fact of the vacancy or resignation and the date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation. It shall also contain the full name of the provisional appointee to the board, the date of appointment, and a statement that unless a petition calling for a special election, containing a sufficient number of signatures, is filed in the office of county superintendent of schools within 30 days of the date of the provisional appointment, it shall become an effective appointment.

A provisional appointment confers all powers and duties of a governing board member upon the appointee immediately following his or her appointment.
