BP 2100 - Board Elections

Reference: Education Code Sections 5000 et seq.

The term of office of each trustee shall be four years, commencing on the first board meeting in December following the general election in November. Elections shall be held every two years, in even numbered years. Terms of trustees are staggered so that, as nearly as practical, one half of the trustees shall be elected at each trustee election.

The Board of Trustees has provided for the election of trustees by trustee areas. The election of a board member residing in, and registered to vote in, the trustee area he or she seeks to represent shall be by the registered voters of the entire community college district.

- In Butte County, trustee areas will match the boundaries, to the extent possible, established for the Board of Supervisors’ representative areas.

- In Glenn County, Trustee Area 6 will be comprised of that portion of the Orland Joint Union High School District within Glenn County and the Hamilton Union High School District; Trustee Area 7 will be comprised of the Willows Unified School District and that portion of the Princeton Joint Unified District within Glenn County.

The Superintendent/President shall submit recommendations to the Board regarding adjustments to be made to the boundaries of each trustee area, if any adjustment is necessary, after each decennial federal census. The Superintendent/President shall submit the recommendation in time for the Board to act as required by law.
