Butte-Glenn Community College District recognizes the responsibility of its staff to report to the appropriate agency when there is a reasonable suspicion that an abuse or neglect of a child may have occurred. Mandated reporters include all employees. Volunteers are not mandated reporters, but are encouraged to report suspected abuse or neglect of a child.

All Butte College employees are required to complete Mandated Reporter training either on-line or on-site. Human Resources and/or College Police will provide information regarding these trainings to all employees.

Child abuse is defined as physical abuse, neglect, sexual abuse and/or emotional maltreatment. This procedure addresses the sexual assault, sexual exploitation, and/or sexual abuse of a child; the willful cruelty or unjustifiable punishment of a child; incidents or corporal punishment or injury against a child; abuse in out-of-home care; and the severe and/or general neglect of a child (definitions contained in Penal Code Section 11165).

“Reasonable suspicion” occurs when “it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position drawing when appropriate on his or her training and experience, to suspect child abuse” (Penal Code Section 11166[a]).

A child protective agency is a police or sheriff’s department, a county probation department, or a county welfare department. School district police or security departments are not child protective agencies (Penal Code Section 11165.9).

Any person not mandated by law to report suspected child abuse has immunity unless the report is proven to be false and the person reporting knows it is false, or the report is made with reckless disregard of the truth or falsity of the incident (Penal Code Section 11172(a). Reporting is an individual responsibility. An employee making a report cannot be required to disclose his or her identity to the employer (Penal Code Section 11166(h)). However, a person who fails to make a required report is guilty of a misdemeanor punishable by up to six (6) months in jail and/or up to a $1,000 fine (Penal Code Section 11172e).
Mandated reporters must report immediately any reasonable suspicion of child abuse to a local child protective agency and follow up with a written report within 36 hours. The written report may be mailed or submitted by facsimile or electronic transmission.

No mandated reporter who reports a known or suspected instance of child abuse shall be civilly or criminally liable for any report required or authorized by the Penal Code. Any person reporting a known or suspected instance of child abuse shall not incur any liability as a result of making any report of child abuse, unless it can be proven that a false report was made and the person knew that the report was false. (Penal Code Section 11172a)

When a District official releases a minor pupil to a peace officer for the purposes of removing the minor from campus, the District official shall take immediate steps to notify the parent or guardian regarding the release of the minor to the officer, and regarding the place to which the minor is reportedly being taken (Education Code Section 87044), except when a minor has been taken into custody as a victim of suspected child abuse, as defined in Section 11165 of the Penal Code, or pursuant to Section 305 of the Welfare and Institutions Code. In those cases, the official shall provide the peace officer with the address and telephone number of the minor’s parent or guardian.

Non-accidental physical injury is considered to be a health and safety emergency and parental consent is not required for release of student information under the Family Education Rights and Privacy Act, or the California Student Records Act (Ed Code Sections 76200 et seq.).

Information relevant to the incident of child abuse may be given to an investigator from a child protective agency who is investigating the known or suspected cause of child abuse (Penal Code Section 11167b).

Human Resources shall provide a mandated reporter with a statement informing the employee that he or she is a mandated reporter and inform the employee of his or her reporting obligations under Penal Code Section 11166 and of his or her confidentiality rights under subdivision (d) of Penal Code Section 11166. Human Resources shall provide a copy of Penal Code Sections 11165.7, 11166, and 11167 to the employee. Prior to commencing his or her employment and as a prerequisite to that employment, employee shall sign and return the statement to the Butte-Glenn Community College District Human Resources department. The signed statement shall be placed in the employee’s personnel file maintained in Human Resources (Penal Code Section 11166.5).

The Human Resources Department will distribute this procedure to all employees.
