Reference: Government Code Section 12940 et seq., 1090 et seq.

The District does not prohibit the employment of relatives (or domestic partners as defined by Family Code Section 297 et seq.) in the same department or division, with the exception that they shall not be assigned to a regular position within the same department, division, or site that has a family member who is in a position to recommend or influence personnel decisions regarding that employee.

Personnel decisions include appointment, retention, evaluation, tenure, work assignment, promotion, demotion, or salary of the relative (or domestic partner as defined by Family Code Section 297 et seq.).

Immediate family means spouse, parents, grandparents, siblings, children, grandchildren, and any in-laws, or any other relative living in the employee’s home.

The District will make reasonable efforts to assign job duties to minimize the potential for creating an adverse impact on supervision, safety, security, or morale, or creating other potential conflicts of interest.

Notwithstanding the above, the District retains the right where such placement has the potential for creating an adverse impact on supervision, safety, security, or morale, or involves other potential conflicts of interest, to refuse to place a family member in the same department, division, or facility. The District retains the right to reassign or transfer any person to eliminate the potential for creating an adverse impact on supervision, safety, security, or morale, or involves other potential conflicts of interest.

There are no administrative procedures for this policy.
