INDEPENDENT AUDITORS’ REPORT

Board of Trustees
Butte-Glenn Community
   College District
Oroville, California

We have audited the accompanying schedule of proceeds and use of general obligation bonds (Election of 2002, Series A, B, and C) of the Butte-Glenn Community College District (District) for the period from July 1, 2009 through June 30, 2010. This schedule is the responsibility of the District’s management. Our responsibility is to express an opinion on this schedule based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the schedule of proceeds and uses of general obligation bonds is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedule of proceeds and uses of general obligation bonds. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall presentation of the schedule of proceeds and uses of general obligation bonds. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 2, the schedule of proceeds and use of general obligation bonds was prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the schedule of proceeds and use of general obligation bonds referred to in the first paragraph presents fairly, in all material respects, the proceeds and use of the District’s General Obligation Bonds (Election 2002, Series A, B, and C) for the period from July 1, 2009 through June 30, 2010, on the basis of accounting described in Note 2.
