ABOUT THE ENGLISH PROGRAM

The Associate in Arts in English for Transfer (AA-T) creates a transfer pathway for students who plan to complete a Bachelor of Arts in English at a California State University. With the completion of the AA-T in English, students will possess the foundational knowledge and skills that comprise the core content of the first two years of many four-year programs in English. The Associate in Arts in English for Transfer is intended for students who plan to complete a bachelor’s degree in English or similar major at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major.

Students transferring to a CSU campus that does accept this degree will be required to complete no more than 60 units after transfer to earn a bachelor’s degree. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. In all cases, students should consult with a counselor for more information on university admission and transfer requirements.

The associate transfer degrees (AA-T or AS-T) require completion and certification of the California State University General Education (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC) as well as the specific AA-T or AS-T major degree requirements. Students earning either an AA-T or an AS-T will not be held to additional Butte College graduation requirements (including Physical Education and the multicultural competency). Students should work with a counselor to identify major coursework that can be used to fulfill CSU GE or IGETC categories.

STUDENT LEARNING OUTCOMES

Upon successful completion of this program, the student will be able to:

• Analyze themes within course texts and compare them to the ways these themes are treated in other course texts.
• Synthesize analyses of specific details in particular works of literature in support of a clear, overall point or thesis.
• Identify, employ and evaluate different frameworks for analyzing and interpreting literature. These frameworks may include political, socioeconomic, geographical, ethnic, cultural, ecological, psychoanalytical, historical, gender, and genre development.

EARNING YOUR AA-T/AS-T DEGREE

To obtain an AA-T/AS-T degree, students must complete both the major requirements and the graduation requirements listed in the college catalog.

Note that some courses have a prerequisite (P), corequisite (C), or both (P/C). Prerequisites and corequisites are listed within each course description in the catalog.

Transfer majors designated as AA-T or AS-T are designed for transfer to a similar major at an unspecified CSU. Transfer majors designated as AA or AS are designed for transfer to the corresponding major at a specific CSU and are based on articulation. See a counselor for more information. Read about the difference between these types of degrees at the beginning of the Transfer section of the catalog.
