AA-T in STUDIO ARTS
Associate Degree for Transfer

A DEGREE WITH A GUARANTEE
ABOUT THE STUDIO ARTS PROGRAM

The Associate in Arts in Studio Arts for Transfer degree (AA-T in Studio Arts) creates a transfer pathway for students who plan to complete a Bachelor of Arts in Studio Arts at a California State University. With the completion of the AA-T in Studio Arts, students will possess foundational knowledge and skill that comprise the core content of the first two years of many four-year programs in Studio Arts.

The associate transfer degrees (AA-T or AS-T) require completion and certification of the California State University General Education (CSU GE) or the Intersegmental General Education Transfer Curriculum (IGETC) as well as the specific AA-T or AS-T major degree requirements. Students earning either an AA-T or an AS-T will not be held to additional Butte College graduation requirements (including Physical Education and the multicultural competency). Students should work with a counselor to identify major coursework that can be used to fulfill CSU GE or IGETC categories.

STUDENT LEARNING OUTCOMES

Upon successful completion of this program, the student will be able to:

- Employ technical skills, creativity, critical thinking, and conceptual problem-solving in completing independent projects in the fields of Visual, Design, and Studio Arts.
- Analyze, compare, and synthesize significant global ideas and primary original works of art and architecture from diverse cultures and time periods.
- Produce, present, and describe a portfolio consisting of original artworks and/or writing about art.
- Demonstrate expert and safe use of a variety of equipment, materials, software, and tools, when performing, writing about, and/or creating works of art.

EARNING YOUR AA-T/AS-T DEGREE

To obtain an AA-T/AS-T degree, students must complete both the major requirements and the graduation requirements listed in the college catalog.

Note that some courses have a prerequisite (P), corequisite (C), or both (P/C). Prerequisites and corequisites are listed within each course description in the catalog.

Transfer majors designated as AA-T or AS-T are designed for transfer to a similar major at an unspecified CSU. Transfer majors designated as AA or AS are designed for transfer to the corresponding major at a specific CSU and are based on articulation. See a counselor for more information. Read about the difference between these types of degrees at the beginning of the Transfer section of the catalog.
