WINCC is a community of students and instructors committed to the promotion, support, and mentoring of women and girls in science, technology, engineering, math, police, fire, agriculture, welding, and other non-traditional career paths.

Discover opportunities for mentoring, networking, working with girl scouts, learning about career options, building your resume, making new friends, and more!

Women in Non-traditional Careers Coalition

**Fall 2011 Kickoff**

**Tuesday, Sept 13**

**12:30 – 1:30**

**MC 149**

Do you want to . . .

Tackle new challenges?

Rise above the crowd?

Share your stories?

Lead others in your steps?

**Join WINCC!**
