TRANSFER TALK
Your Resource for Everything Transfer Related!

ATTENTION UC BOUND STUDENTS!
The TCC is launching a program to increase Butte transfer to UC campuses. If you are considering a UC campus as your transfer goal you are going to want to make an appointment to see one of our transfer counselors and take advantage of some new services we are offering. UC bound students are encouraged to attend a Transfer Admission Guarantee (TAG) workshop to get major specific course requirements. We will then develop a Comprehensive Education Plan based on the TAG criteria and assist students in setting up a Transfer Application Planner (TAP) account. Friend us on Facebook and we will send you announcements for any UC specific workshops we may be presenting and from UC campuses hosting events that may be of interest to you. TAG contracts are submitted in September so come in this spring to ensure you are on track to complete your TAG.

Transfer Admission Guarantee (TAG) for UCs
A TAG guarantees your admission to a participating UC campus. A TAG contract is written prior to the application filing date. We offer TAGs with UC Davis, UC Irvine, UC Merced, UC Riverside, UC Santa Cruz, and UC Santa Barbara. To qualify for a TAG you must have at least 30 transferrable UC units completed at the time you sign the TAG contract and maintain a minimum GPA. Impacted or highly competitive majors may require a higher GPA. Set a Transfer Counseling Center appointment today to confirm you meet the UC TAG requirements!

Cross Enrollment Program
**Cross-Enrollment** is a program for current Butte College students planning to transfer to CSU Chico. This program allows students to enroll in one class at Chico State for FREE while still attending Butte. To be eligible for Cross-Enrollment a student must have:
